“The leading voice for music education in Pennsylvania”

Blairsville-Saltsburg School District

Blairsville, Pa 15717

Dr. Tammy Whitfield,

As the president of District 3 of the Pennsylvania Music Educators Association, it is my great pleasure to announce that the Blairsville music department has been identified as a District 3 Music Department of the Month. Your faculty members continuously strive for musical excellence, while also seeking out opportunities for their students. As a school administrator, you no doubt know that their music department is a dynamic one. Because of their active role in PMEA events and the focus on bringing music to all students, Blairsville is proving to be a leader in music education.

Thank you for supporting the musical endeavors of your students and faculty, and for keeping music education strong in Western Pennsylvania!

Rebecca Sensor
President, District 3 PMEA
