To Whom It May Concern:

Please accept this letter of recommendation for CJ Lyons. I have worked with CJ for the past year in the role of principal and am proud to have hired him. Mr. Lyons' current status with WCSD is as a furloughed Instructional I music education teacher.

He is much more than satisfactory in all areas of teaching. He is prompt with lesson plans and preparedness for teaching. The classroom environment that he creates is warm, welcoming, accepting and orderly. He has a knack for teaching which cannot be taught. He is highly regarded by faculty, staff, parents and students.

He is applying for a position in your school district due to budget constraints and furloughs in the Warren County School District. I would like to hope that he would be staying with us had the finances been secure. However, with that not being the case, I recommend him highly for a position with your school district.

You will be lucky to have CJ teaching in your school district. Please do not hesitate to contact me for further information regarding the qualifications and teaching abilities of Mr. Lyons. You may use the numbers above or email beersam@wcsdpa.org,

Sincerely,

Amy Beers
