Ann M. Buerkle
Principal

April 12, 2012

To Whom It May Concern:

It is my pleasure to recommend Mr. C.J. Lyons for a position as an elementary music instructor. C. J. taught music to Kindergarten and First Grade at SSELC for the 2011-12 school year. He is knowledgeable of the proper methodology/techniques to use when working with young students.

C.J. plans standards aligned lessons that are active, of a "hands on" nature, and very stimulating for young children. In addition, he taught "academic centers" with music and movement as the focal point with the reading/math skills.

Mr. Lyons follows district policies and procedures in addition to presenting himself well as a professional educator. He attends professional development opportunities and continuing education offerings.

Mr. Lyons would be a nice addition to any elementary staff. If you would desire further information, please do not hesitate to contact me at 814- 723-9340.

Sincerely,

Ann M. Buerkle
